### Register LISTSERV Password

Please enter your email address and the desired password, then click on the "Register Password" button. If you already had a LISTSERV password but cannot remember what it was, this procedure will automatically replace your existing password with the new one you will be entering below.

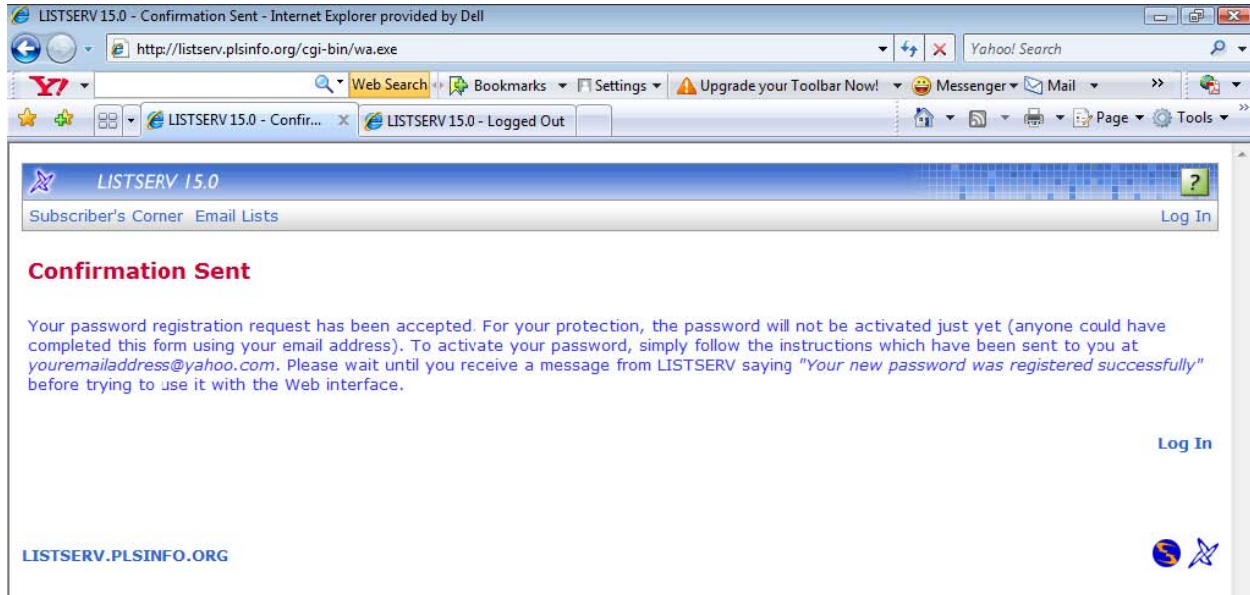

Email Address:

Password:

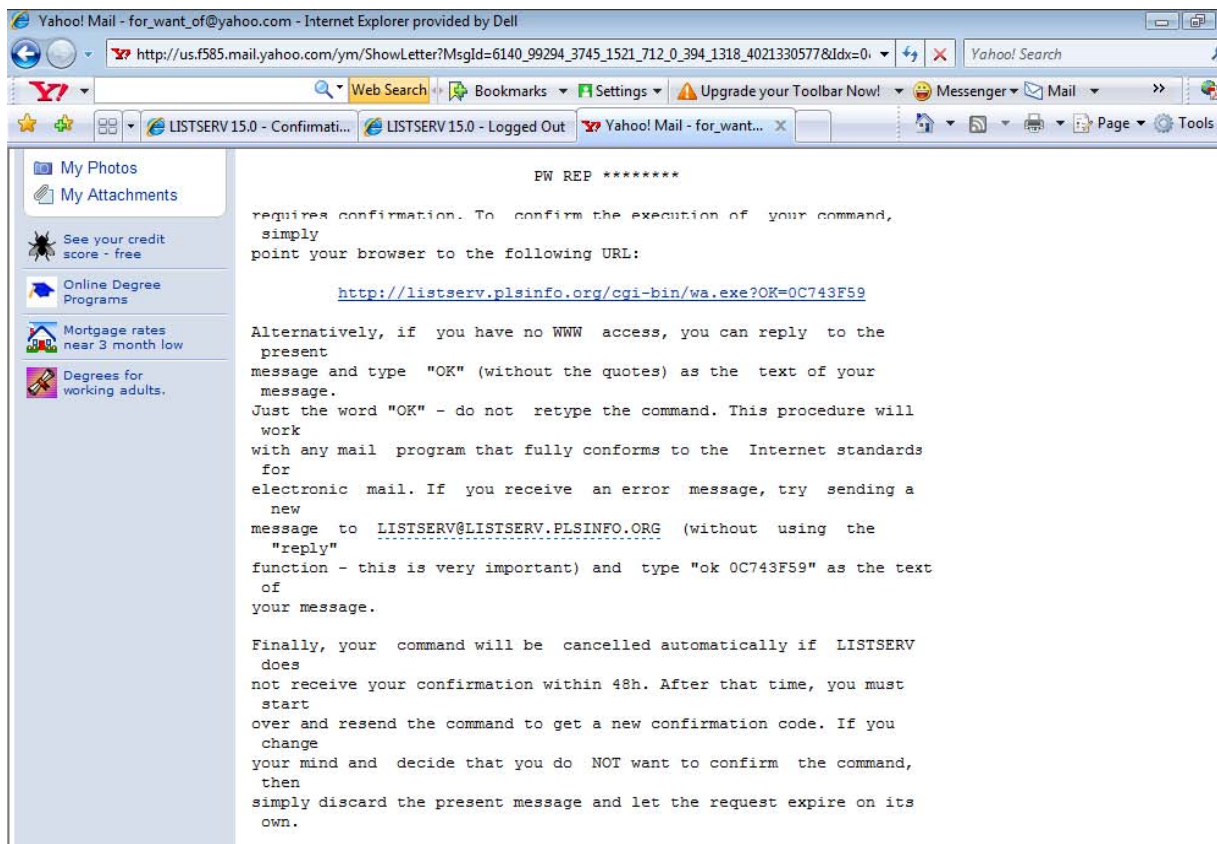

Password (Again):  (Verification)

# Accessing the PLS ListServ Archives

3. If you have successfully registered for your password this screen will appear. An email will be sent to your email account confirming your password registration.

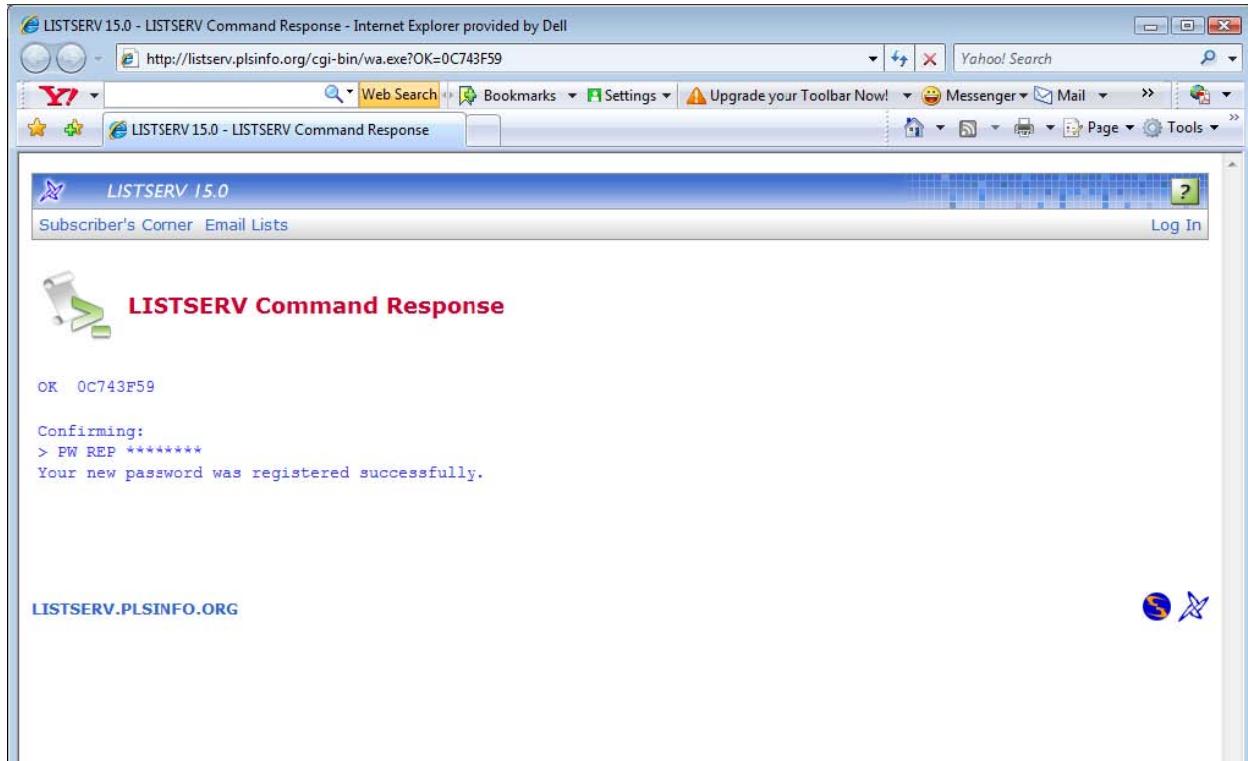

4. Open up your email account and you should see a similar message labeled **Command confirmation request (0C743F59)**. Click on the confirmation link inside the email.

## Accessing the PLS ListServ Archives

5. After clicking the link this screen will appear confirming that your password has been successfully registered.

6. You will now be able to access any listserv archives that you are subscribed to by logging in with your email address and newly created password. If you have problems registering your password please contact Wendy Cao at 650-349-5538.
